Muzrai Department.

Sir,

I have the honor to state that a Vedic School has been started at Nonavinkere in the Tiptur Taluk by the leading Brahmin residents of that place. The strength of the school is now 20 and the school is being now supported from the fees realized amounting to about Rs 12/- a month which is reported to be insufficient for the purpose. In endorsing the opinion of the Amildar, who reports favorably of the institution and its progress, the General Assistant Commissioner in charge of the Taluk recommends a grant from Government of Rs 15/- a month for the institution, which I respectfully solicit the Government may be pleased to sanction out of Muzrai Funds.

2. The vernacular papers on the subject are here-with submitted for reference. I have the honor to be,
